

SICSS

Summer Institute in Computational Social Science

Habib University, Karachi, Pakistan

Habib University
shaping futures

8th June – 19th June 2026

SICSS - Introduction

- The Summer Institute in Computational Social Science brings together graduate students, postdoctoral researchers, and junior faculty for intensive study at the intersection of social science and data science.
- Co-founded in 2017 by Chris Bail and Matt Salganik, providing free training to the next generation of researchers.
- 2017 — First institute, Princeton University
- 2018 — Partner locations introduced
- 53+ locations hosted since 2017
- 2,200+ participants trained
- 500 universities represented across 150 academic fields
- 100+ research projects generated

SICSS – Habib 2026

SICSS – Habib 2026

- Pakistan's first Summer Institute in Computational Social Science
- a milestone in building computational social science capacity in the Global South.
- Our mission: to spark a lasting community of CSS researchers in Pakistan — the first of many such activities.

Program at a Glance:

- Week 1 · June 8–12 · Instruction

- Mon Jun 8 Intro to CSS, Surveys & Ethics
- Tue Jun 9 Text as Data
- Wed Jun 10 Agent-Based Modeling
- Thu Jun 11 Social Network Analysis & Digital Trace Data
- Fri Jun 12 AI & LLMs for Social Science

- Week 2 · June 15–19 · Group Research Projects

- Mon Jun 15 Speed-dating & Group Formation
- Tue–Thu Jun 16–18 Group Research Project
- Fri Jun 19 Team Presentations, Feedback & Closing Remarks

Logistics

- **Daily Schedule**
 - Refreshment 9:30 AM
 - Sessions 10:00 AM – 4:30 PM
 - Lunch 1:00 – 2:00 PM
 - Tea – 4:30 PM
- **Communication**
 - Discord - **#habib-2026-general**
 - Email: **sicss.habib@gmail.com**
- **Community Norms**
 - Collaborative, respectful, inclusive — we learn together across disciplines
- **Photography & Media**
 - Photos/videos may be shared — inform an organizer to opt out

Organizing Team

Muhammad Qasim Pasta
Associate Professor
Habib University

Asad Tariq
Dean's Fellow
Habib University

Welcome Note

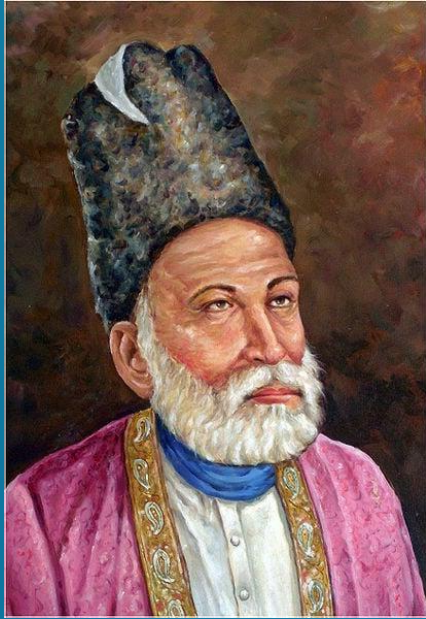

Dr. Muhammad Shahid Shaikh

Interim Vice President Academic
Affairs and Professor ECE

Why Computational Social Science?

ہر قدم دوری منزل ہے نمایاں مجھ سے
میری رفتار سے بھاگے ہے بیاباں مجھ سے
مرزا غالب

With each step I take, the destination grows more elusive;
Even the vast desert runs ahead of the swiftness of my stride

Keynote Speaker

Dr. Umberto Mignozzetti

- Assistant Teaching Professor , UC San Diego
- Dept. of Political Science & Computational Social Sciences Program
- Research: improving public goods provision in developing democracies
